Proposal for a regulation

Article 1

Text proposed by the Commission

Amendment

This Regulation establishes a common framework for the exchange of information and cooperation between Member States and the Agency in order to improve the situational awareness and reaction capability at the external borders of the Member States and of the European Union, hereinafter referred to as the European Border Surveillance System (EUROSUR).

This Regulation establishes a common framework for the exchange of information and cooperation between Member States and the Agency in order to improve the situational awareness and reaction capability ***to protect the lives of migrants and refugees and to prevent irregular migration and cross-border crime*** at the external borders of the Member States and of the European Union, ***while ensuring effective access to international protection***, hereinafter referred to as the European Border Surveillance System (EUROSUR).
