Proposal for a regulation

Recital 55

Text proposed by the Commission

Amendment

(55) Reflecting the importance of tackling climate change in line with the Union's commitments to implement the Paris Agreement and the United Nations Sustainable Development Goals, this Fund will contribute to mainstream climate actions and to the achievement of an overall target of 25 % of the EU budget expenditures supporting climate objectives. Relevant actions will be identified during the Fund's preparation and implementation, and reassessed in the context of the relevant evaluations and review processes. *deleted*
